#### Customer Profile

McIntosh County Academy is the only public high school in McIntosh County, Georgia, United States. It was formerly known as Darien High School.

#### Scope of Work

McIntosh County Academy reached out to Mledtech for a solution to upgrade their existing football lighting system to LED. We were able to offer a solution reusing the existing poles and structures helping to keep this project on-time and within budget.

#### The Solution

We were able to meet IES recommended lighting levels with a one for one replacement using our FL9M-720W. The results were spectacular!

## The Results

Mledtech approaches each project as a unique opportunity to exceed the customers', the players' and the observers' expectations in terms of improved lighting delivered, improved visual comfort and operational savings. Our process steps help streamline this effort. We will meet directly with financial decision makers to go over final proposal in detail. Mledtech will work with the customer's contractor to provide them with detailed computer aiming points which can be set while on the ground.
